COLAB DESIGN GROUP

DESIGN • BUILD • EXPERIENCE

WELCOME TO COLAB DESIGN GROUP

WE RECOGNISE THAT EVERY CLIENT IS DIFFERENT AND THEREFORE EVERY DESIGN IS UNIQUE.

WITH YOUR COLLABORATION
WE STRIVE TO GIVE YOU A
UNIQUE POINT OF DIFFERENCE BY
STANDING OUT FROM THE CROWD.

We specialise in design, development, construction and implementation of experiential environments in the fields of Exhibition and Event Design, Custom Booth Stands, Retail fit out Design, Commercial Interior Design, Pop up Brand Space.

Founded by global award-winning Industrial Designer Dennis Abalos, the team has over 30 years combined experience in creative development and production, Colab Design Group offers a diverse portfolio of turnkey services ranging from custom displays design, interior design to exhibition and event design. We know exactly what it takes to wow consumers and build live experiences people love.

We have been creating award-winning live experiences for decades and with our in-house experts in experiential design, location planning, production and logistics. Through strategy and experiential design our solutions help brands connect with their audience more powerfully.

COLAB DESIGN GROUP WHY CHOOSE US?

Reputation + Experience

We are known for our design driven experiential environments.

With over 30 years combined experience in creative development and production, Colab Design Group offers a diverse portfolio of turnkey services ranging from custom displays, interior design to exhibition and events activation.

We know exactly what it takes to wow consumers and build live experiences people love.

Complete Project Solution

As an independent design and construction team, we offer a complete service, from initial concept to final design, build, installation and dismantle.

We work with leading brands and agencies to create, design and build bespoke customer experiences to drive sales and build brand awareness. We provide strategy, design and creative services, to fabrication and construction, and logistics and storage.

Award Winning Designs

Colab Design Group prides itself on a customer-centric approach. Backed by our teams keen attention to detail, our exhibitions and event spaces we build, exceed expectations and deliver results.

Our creative team is renowned for designing, and building award-winning experiences that grow brands and wow customers.

We have won Best Stand awards multiple times in a variety of different Trade Shows and Events.

Let our expert team of designer makers and builders bring your designs to life while our project management team ensures your vision is delivered on time and within budget.

At Colab Design Group, we dont just design and build spectacular event spaces and exhibition stands, we create long lasting memorable experiences!
